Leak Adjustment Request Form

Property owners can apply for a leak adjustment credit for excess water volume charges resulting from a leak. To be eligible for a leak adjustment you must have repaired the leak within 30 days from the date of that billing period and provide proof of repair (receipts for any materials or services related to that repair).

If you wish to apply for a leak adjustment, please complete the form below and return it to our office within 30 days of the date of billing with the necessary receipts. Upon receipt staff shall calculate the adjustment based on the average consumption for the same quarter over the last three years.

If your leak adjustment is approved, a credit will be applied to your account.
